

STATEMENT OF SUBSTANCE OF THE INTERVIEW

Applicant's undersigned representative telephoned the Examiner on September 6, 2012, to discuss the present application.

During the interview, the prior art rejections of the claims were discussed. The Examiner indicated that further definition of "wherein, if the data is the alphanumeric data, the switch provides the alphanumeric data to the speech synthesizer and, if the data is the audio data, the switch provides the audio data to the audio amplifier" would overcome the rejections of record, subject to further search.

It is respectfully submitted that the instant STATEMENT OF THE SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§ 1.2, 1.133 and MPEP § 713.04.
